their purpose and I agree with you and I'm sure that everyone else does. We're trying to make a rule and regulation out of it instead of a statute. So we're on the same wave length and it may take another day or two but that isn't going to hurt anything I don't think to have this bill on Final Reading but I'd hate to get it back from Final Reading to Enrollment and Review, put an amendment on and then find out we had something else--let's do it at one time.

SPEAKER: May the chair observe, are you three gentlemen willing to bracket this for the time being or not? Senator Barnett.

SENATOR BARNETT: I would like to bracket it, it'd be all right with me.

SPEAKER: In other words you're asking unanimous consent withdraw your motion to return to Select File and bracket the bill on Final Reading? Is that agreeable with everybody? Otherwise we're just carrying on a three way conversation. Does that agree with you, Senator Lewis?

SENATOR LEWIS: Yes sir.

SPEAKER: Are there any objections to bracketing this bill? If not, so ordered. LB 207. Clerk will read.

CLERK: Reads bill.

SPEAKER: Excuse me, Mr. Clerk, the chair will have to ask Senators Carpenter and Warner to take their seats. You're being too obvious about this and we can't have everybody running around here or we just as well forget the rules all together. Just hold off Mr. Clerk until they take their seats. I just ask you, Senator Warner, as a former speaker to please obey the rules and stay in your seat unless you have to go to the men's room or some other emergency. Clerk will continue to read.

CLERK: Continues reading.

SPEAKER: All provisions of law relative to procedure having been complied with, the question is, shall the bill pass? All those in favor vote aye, those opposed vote no. Have you all voted? Clerk will record.

CLERK: Reads vote. 40 ayes, 1 nay, 8 not voting.

SPEAKER: The bill is passed. LB 257. Clerk will read.

CLERK: Reads bill.

SPEAKER: All provisions of law relative to procedure having been complied with, the question is, shall the bill pass with the emergency clause attached? All those in favor vote aye, those opposed vote no. Mr. Clerk, the board doesn't appear to be working. Please again cast your vote, see what happens. Is everybody recorded the way they want to be recorded? Clerk will record.

CLERK: Reads vote. 36 ayes--Senator Murphy voting aye.

SPEAKER: Senator Kennedy and Richendifer.

CLERK: Senator Kennedy voting aye.

SPEAKER: Senator DeCamp, Maresh.

CLERK: Senator Kennedy.

SPEAKER: Did you get them all Mr. Clerk? Senator Maresh, Senator Kennedy. Senator Murphy not voting. Senator Kennedy
